

October 25, 2021

Dear Friend of Erie's Public Schools,

The Foundation for Erie's Public Schools will hold its 7<sup>th</sup> annual "I Believe Gala" on **Saturday, April 30<sup>th</sup>** at the Ambassador Hotel and Conference Center. This event offers supporters of Erie's Public Schools an opportunity to celebrate the belief we have in the students who attend our schools, the teachers who educate our children, and the community members who support our district. Guests will enjoy a basket raffle, dinner, and a short awards program, followed by live music and dancing with The Breeze Band.

Through the generous contributions from our sponsors, we're able to provide access to a variety of faculty-created projects that create exceptional learning experiences for Erie's Public Schools students. This past year, projects that received mini-grant funding from the Foundation included a tower garden, a portable podcasting studio, STEM robot construction kits, a travel basketball team, and a multicultural literature and history library collection.

Without your support we would not be able to continue providing these unique experiences for our students that help them engage at a deeper level both in and out of the classroom. Your contributions directly translate to the number of projects we are able to fund on an annual basis through the mini-grant program.

The Foundation's mission is to mobilize resources and build support for Erie's Public Schools to expand opportunities for students. As always, the 2022 event will showcase the projects that your support has afforded students over the past year. We hope you will join us in making our vision a reality, that ***all students*** will realize their potential.

**Sponsorship levels and information are detailed on the following page.**

With much gratitude,

*Ina Fisher*
